CHANCES

Smart Play

Before and After
School Program

All Children Deserve the Best Program Possible!

This program will provide your child with opportunities for positive emotional, physical and intellectual experiences that will promote his or her overall growth.

The program makes effective use of before and after school time where children can benefit from social interaction and play.

What is Smart Play?

Before and after school programs can have a positive impact for children in a range of areas including:

academic, social, and emotional, along with physical health and wellness.

CHANCES Smart Play Program offers high quality before and after school care for children ages 6-12 years. Smart Play is conveniently located in the Cornwall area.

The Program Offers :

- Daily fun and creative activities include physical exercise, outdoor play, music, arts and positive social interactions with other children that will allow your child to learn through play
- Certified Early Childhood Educators who develop and implement creative programming on an ongoing basis to meet the needs of your child
- Nutritious snacks to enhance the overall experience for your child
